NOTES TO FINANCIAL STATEMENTS

1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

The Metropolitan Direct Property and Casualty Insurance Company (“the Company”) is incorporated under the laws of the State of Rhode Island. The Company is a wholly owned subsidiary of Metropolitan Property and Casualty Insurance Company, domiciled in Rhode Island, which is a wholly owned subsidiary of MetLife, Inc (MET), incorporated in the State of Delaware, a public company whose shares are traded on the New York Stock Exchange.

The Company is engaged, principally in the United States, in the property-liability insurance business. The Company’s primary ongoing business is the sale of private passenger automobile, homeowners and personal umbrella insurance.

The Company is authorized to sell property-liability insurance in 43 states and the District of Columbia. The top geographic locations for statutory direct earned premiums were California, Kentucky, New Jersey, North Carolina, Pennsylvania, Texas and Virginia for the year ended December 31, 2005. No other jurisdiction accounted for more than 5% of statutory direct earned premiums.

The Company has exposure to catastrophes, which are an inherent risk of the property-liability insurance business, which have contributed, and will continue to contribute, to material year-to-year fluctuations in the Company’s results of operations and financial position. The Company defines a catastrophe as an event that produces a number of claims in excess of a preset per-event threshold of average claims in a specific area. The Company also has exposure to environmental, asbestos, and other mass tort claims.

Summary of Significant Accounting Policies

A. Accounting Practices

The Metropolitan Direct Property and Casualty statement is presented on the basis of accounting practices prescribed or permitted by the Insurance Department of the State of Rhode Island (“the Department”). While the Department has the right to permit specific practices that may deviate from prescribed practices, the Company did not follow any permitted practices other than those prescribed by the Department.

The State of Rhode Island has adopted the National Association of Insurance Commissioners’ statutory accounting practices (NAIC SAP) as the basis of its statutory accounting practices.

Accounting practices and procedures of the NAIC are a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (“GAAP”). The more significant differences are as follows:

- (1) Investment in bonds are generally carried at amortized cost, while under GAAP, they are carried at either amortized cost or fair value based on their classification according to the Company’s ability and intent to hold or trade the securities;
- (2) Investments in common stocks are valued as prescribed by the Securities Valuation Office (“SVO”) of the NAIC, while under GAAP, common stocks are reported at market value;
- (3) Acquisition costs, such as commissions and other costs related to acquiring new business, are expensed as incurred, while under GAAP, they are deferred and amortized to income as premiums are earned or in relation to estimated gross profits;
- (4) Prior to January 1, 2001, a Federal income tax provision was made only on a current basis for Statutory Accounting, while under GAAP, a provision was also made for deferred taxes on temporary differences between the financial reporting and tax bases of assets and liabilities. Subsequent to January 1, 2001, NAIC SAP requires an amount to be recorded for deferred taxes however, there are limitations as to the amount of deferred tax assets that may be reported as “admitted assets”;
- (5) Assets are reported under NAIC SAP as “admitted-asset” value and “non-admitted” assets are excluded through a charge against surplus, while under GAAP, “non-admitted assets” are reinstated to the balance sheet, net of any valuation allowance;
- (6) The change in provision for reinsurance is charged or credited directly through surplus under SAP, while this provision is not recognized for GAAP purposes;
- (7) The balance sheet under NAIC SAP is reported net of reinsurance, while under GAAP, the balance sheet reports reinsurance recoverables, including amounts related to losses incurred but not reported, and prepaid reinsurance premium as assets;
- (8) Comprehensive income and its components are not presented in the statutory financial statements;
- (9) Subsidiaries are included as common stock carried under the equity method, with the equity in net income of subsidiaries credited directly to the Company’s surplus for NAIC SAP, while GAAP requires either consolidation or the equity in earnings of subsidiaries or net income of subsidiaries to be credited to the income statement; and

NOTES TO FINANCIAL STATEMENTS

- (10) Goodwill under GAAP is calculated as the difference between the cost of acquiring the entity and the fair value of the assets received and liabilities assumed. Under NAIC SAP, goodwill is calculated as the difference between the cost of acquiring the entity and the reporting entity's share of the historical book value of the acquired entity. However, under NAIC SAP the amount of goodwill recorded as an "admitted asset" is subject to limitations. In June 2001, SFAS No. 142, Goodwill and Other Intangible Assets significantly changed the method of accounting for intangible assets. Previous authoritative guidance presumed that goodwill and all other intangible assets were wasting assets, and thus the amounts assigned them should be amortized in determining net income. SFAS No. 142 does not presume that those assets are wasting assets. Instead, goodwill and intangible assets that have indefinite useful lives will not be amortized but rather will be tested at least annually for impairment by comparing the fair values of those assets with their recorded amounts.

B. Use of Estimates

The preparation of financial statements in conformity with NAIC SAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

C. Accounting Policy

Premiums are generally recognized as revenue on a pro rata basis over the policy term. The portion of the premiums written applicable to the unexpired terms of the policies is recorded as unearned premiums.

- (1) Short-term investments include all investments whose maturities, at the time of acquisition, are one year or less and are stated at amortized cost, which approximates fair value.
- (2) Bonds not backed by other loans are generally stated at amortized cost unless rated by the NAIC as a 3, 4, 5, or 6 which are stated at the lower of market value or amortized cost. Bonds not backed by other loans are amortized using the scientific method.
- (3) Common stocks of non-affiliates are stated at market value except for investments in stock of uncombined subsidiaries and affiliates in which the Company has a controlling interest, see note 1C(7).
- (4) Preferred stocks are generally stated at cost unless they have a NAIC rating designation of 3, 4, 5, or 6 which are stated at the lower of market value or amortized cost.
- (5) The Company has no mortgage loans.
- (6) Mortgage-backed bonds included in bonds are stated at amortized cost using the scientific method. Amortization of the discount or premium from the purchase of these securities considers the estimated timing and amount of prepayments of the underlying mortgage loans. Actual prepayment experience is periodically reviewed and effective yields are recalculated when differences arise between the prepayments originally anticipated and the actual prepayments received and currently anticipated. For credit-sensitive mortgage-backed and asset-backed bonds and certain prepayment-sensitive bonds (e.g., interest-only securities) the effective yield is recalculated on a prospective basis. For all other mortgage-backed and asset-backed bonds the effective yield is recalculated on a retrospective basis.
- (7) For investments in stocks of uncombined subsidiaries and affiliates in which holdings has an interest of 10% or more are carried on the equity basis. The change in the stated value is recorded as a change in net unrealized capital gains (losses), a component of unassigned surplus.
- (8) The Company has no minor ownership interests in joint ventures, partnerships and limited liability companies.
- (9) For derivative accounting policy, see Note 8.
- (10) For premium deficiency reserve policy, see Note 30.
- (11) The liability for unpaid reported losses is based on a case by case estimate (case reserves) for most lines of business, for the other lines of business, unpaid losses are based on average "statistical" reserves. There is an additional overall estimate (supplemental reserves for several specific lines of business) based on the Company's past experience, this is also known as an additional reserve on known claims. A provision also is made for losses incurred but not reported on the basis of estimates and past experience modified for current trends and estimates of expenses for investigating and settling claims, reduced for anticipated salvage and subrogation. The liability for unpaid losses on business assumed is based in part on reports received from ceding companies.

Management believes that the liability for unpaid losses and loss adjustment expenses is adequate to cover ultimate unpaid losses and loss adjustment expenses incurred. However, such liability is necessarily based on estimates, and the ultimate liability may vary significantly from such estimates. In accordance with industry practice, the Company regularly reviews its estimated liability, and any adjustments are reflected in the period in which they become known. In accordance with guidelines established by the NAIC, the liability for unpaid losses at December 31, 2005 is reported net of estimated salvage and subrogation recoverable.

- (12) The Company has not modified its capitalization policy from the prior year end.
- (13) The Company does not have pharmaceutical rebate receivables.

F. Management and service contracts and all cost sharing agreements, other than cost allocation arrangements based upon generally accepted accounting principles involving the Company or an affiliated insurer follow;

- (1) Metropolitan Property and Casualty Insurance Company (MPC) and its subsidiaries and affiliates became parties to an existing service agreement (the “Master Services Agreement”) with Metropolitan Life Insurance Company (“MetLife”) and other entities within the MetLife, Inc. (MET) holding company system. This agreement was effective as of October 1, 2003, the date that MetLife sold MPC to MET.

NOTES TO FINANCIAL STATEMENTS

The services agreement governs the provision of services that MetLife provides to MPC and its subsidiaries and affiliates and is substantially the same as the previous service arrangement with MetLife, specifically, services provided would include, but not be limited to, legal, communications, human resources, broker-dealer, general management, controller, investment management, actuarial, treasury, benefits management, systems and technology, adjusting, and claims, underwriting and policyholder services.

- (2) Metropolitan Life Insurance Company (MetLife) transferred substantially all of its employees, including employees of Metropolitan Property and Casualty Insurance Company and its subsidiaries and affiliates, to a service company, MetLife Group, Inc. (MLG) as of January 1, 2003, which provides personnel to MetLife and other entities within the MetLife holding company system. Pursuant to the service agreement between MLG and MPC and its subsidiaries and affiliates, MLG provides such personnel services as may be determined to be reasonably necessary in the conduct of its operations, including without limitation, personnel qualified to perform the following services: legal, communications, human resources, broker-dealer, general management, controller, investment management, actuarial, treasury, benefits management, information systems and technology, and claims, underwriting and policyholder services.

13. Capital and Surplus, Dividend Restrictions and Quasi Reorganization

- (1) The Company does not have any authorized or outstanding preferred stock as of December 31, 2005. The Company has 1,000 shares authorized, issued and outstanding of common stock with a par value per share of \$3,000 as of December 31, 2005.
- (2) The Company paid common stock dividends of \$0 and \$1,703,271 for the periods ended December 31, 2005 and 2004, respectively.
- (3) – (4)
Under Rhode Island State Insurance Law, the Company is permitted, without prior insurance regulatory clearance, to pay a stockholder dividend to MPC as long as the aggregate amount of all such dividends in any twelve-month period does not exceed the lesser of (i) 10% of its surplus to policyholders as of the immediately preceding calendar year; or (ii) the next preceding two year net income reduced by capital gains and dividends paid to shareholders. The Company will be permitted to pay a stockholder dividend to MPC in excess of the lesser of such two amounts only if it files notice of its intention to declare such a dividend and the amount thereof with the Rhode Island Superintendent of Insurance (the “Rhode Island Superintendent”) and the Rhode Island Superintendent does not disapprove the distribution within 30 days of its filing. Under Rhode Island State Insurance Law, the Rhode Island Superintendent has broad discretion in determining whether the financial condition of a stock property and casualty insurance company would support the payment of such dividends to its shareholders. Any common stock dividend payment by the Company in 2006 will be considered extraordinary requiring prior regulatory insurance clearance.

NOTES TO FINANCIAL STATEMENTS

D. All Other Contingencies

- (1) The contingency footnote has been prepared on a combined basis for Metropolitan Property and Casualty Insurance Company (MPC) and its subsidiaries and affiliates. The Company is a wholly owned subsidiary of Metropolitan Property and Casualty Insurance Company.

A purported class action has been filed against Metropolitan Casualty Insurance Company, in Florida. The complaint alleges breach of contract and unfair trade practices with respect to allowing the use of parts not made by the original manufacturer to repair damaged automobiles. Discovery is ongoing and a motion for class certification is pending.

Two purported nationwide class actions have been filed against Metropolitan Property and Casualty Insurance Company in Illinois. One suit claims breach of contract and fraud due to the alleged underpayment of medical claims arising from the use of a purportedly biased provider fee pricing system. A motion for class certification has been filed and discovery is ongoing. The second suit claims breach of contract and fraud arising from the alleged use of preferred provider organizations to reduce medical provider fees covered by the medical claims portion of the insurance policy. The court recently granted a motion to dismiss the fraud claim.

A purported class action brought in Kings County (WA) Superior Court alleges that Metropolitan Property and Casualty Insurance Company utilizes a biased computer program to systematically underpay personal injury protection (PIP) claims. The suit, brought on behalf of Washington insureds, also alleges that Metropolitan Property and Casualty Insurance Company failed to comply with state law when adjusting PIP claims. Plaintiff seeks both monetary and injunctive relief. An answer has been filed and the parties are engaged in settlement negotiations.

A purported class action has been filed against Metropolitan Property and Casualty Insurance Company in Montana. This suit alleges breach of contract and bad faith for not aggregating medical payment and uninsured coverages provided in connection with the several vehicles identified in insureds' motor vehicle policies. The parties have reached an agreement to settle this suit. Metropolitan Property and Casualty Insurance Company has recorded a liability in an amount it believes is adequate to resolve the claims underlying this matter. The amount to be paid will not be material to Metropolitan Property and Casualty Insurance Company. Certain plaintiffs' lawyers in another action have alleged that the use of certain automated databases to provide total loss vehicle valuation methods was improper. Metropolitan Property and Casualty Insurance Company, along with a number of other insurers, has agreed to resolve this issue in a class action format. The amount to be paid in resolution of this matter will not be material to Metropolitan Property and Casualty Insurance Company.

A purported class action has been brought against Metropolitan Property and Casualty Insurance Company in superior court in Kings County, Washington. Plaintiffs seek to represent a class of insureds who have received personal indemnity payment (PIP) benefits from Metropolitan Property and Casualty Insurance Company, incurred legal expenses to collect damages from the party responsible for the underlying accident, and then had underinsured or uninsured motorist benefits offset by the amount of the PIP recovery. Plaintiffs claim that Metropolitan Property and Casualty Insurance Company must pay its share of the legal fees incurred by the insured to recover from the third party because the Company is entitled to share in that recovery. Plaintiffs seek both monetary and injunctive relief. Metropolitan Property and Casualty Insurance Company has answered, discovery is ongoing, and the parties are engaged in settlement negotiations.

Plaintiffs' lawyers, the CCC valuation service, and a group of CCC clients including Metropolitan Property and Casualty Insurance Company, Progressive, Hartford, Travelers and Prudential have entered into a preliminary agreement to settle a nationwide class action which challenges the valuations using the CCC process as opposed to the Blue Book method. St. Paul, but not Metropolitan Property and Casualty Insurance Company, is a defendant in an Illinois class action lawsuit involving this issue. Metropolitan Property and Casualty Insurance Company exposure to the class is \$7.5 million with a conservative estimate of a 20% participation rate. Metropolitan Property and Casualty Insurance Company will pay \$1.15 million in fees to plaintiffs' counsel as part of the settlement. CCC will be responsible for paying class administration costs. The parties are completing the settlement process.

Metropolitan Property and Casualty Insurance Company has been named along with several other carriers in a Florida federal court RICO case alleging improper use of "Silent Preferred Provider Organizations" to obtain discounts on Med Pay and Personal Injury Protection claims. The settlement of this matter has been approved by the court and implemented by the parties.

A purported Louisiana class action was filed against Metropolitan Property and Casualty Insurance Company in Louisiana federal court on behalf of insureds who incurred total property losses as a result of Hurricane Katrina. Plaintiffs claim they are entitled to coverage under a theory that Louisiana's "valued policy" law requires carriers to pay policy limits whenever an insured residence is declared a total loss and any of the damage is caused by a covered peril (for example, wind) even though some of the damage was caused by an excluded peril (for example, water). Some individual lawsuits challenging the denial of claims

NOTES TO FINANCIAL STATEMENTS

for property damage related to Hurricane Katrina have also been filed. Metropolitan Property and Casualty Insurance Company intends to vigorously defend these actions.

Various litigation claims, and assessments against the Company, in addition to those discussed above and those otherwise provided for in the Company’s financial statements, have arisen in the course of the Company’s business, including but not limited to, in connection with its activities as an insurer, employer and taxpayer. Further, state insurance regulatory authorities and other federal and state authorities regularly make inquiries and conduct investigations concerning the Company’s compliance with applicable insurance and other laws and regulations.

It is not feasible to predict or determine the ultimate outcome of all pending investigations and legal proceedings or provide reasonable ranges of potential losses, except as noted above in connection with specific matters. In some of the matters referred to above, very large and/or indeterminate amounts, including punitive and treble damages, are sought. Although in light of these considerations it is possible that an adverse outcome in certain cases could have a material adverse effect upon the Company’s financial position, based on information currently known by the Company’s management, in its opinion, the outcomes of such pending investigations and legal proceedings are not likely to have such an effect. However, given the large and/or indeterminate amounts sought in certain of these matters and the inherent unpredictability of litigation, it is possible that an adverse outcome in certain matters could, from time to time, have a material adverse effect on the Company’s financial statements.

(2) Impact of Hurricane Katrina

On August 29, 2005, Hurricane Katrina made landfall in the states of Louisiana, Mississippi and Alabama causing catastrophic damage to these coastal regions. For the year ended December 31, 2005, the Company recognized total net losses related to the catastrophe of \$120 million, net of income taxes and reinsurance recoverables and including reinstatement premiums and other reinsurance related premium adjustments. The Company’s gross losses from Katrina were approximately \$315 million, primarily arising from the Company’s homeowners business.

Additional hurricane-related losses may be recorded in future periods as claims are received from insureds and claims to reinsurers are processed. Reinsurance recoveries are dependent on the continued creditworthiness of the reinsurers, which may be affected by their other reinsured losses in connection with Hurricane Katrina and otherwise. In addition, lawsuits, including purported class actions, have been filed in Mississippi and Louisiana challenging the property and casualty insurance industry's exclusion of water damage from homeowners policies and in Louisiana seeking application of the state’s “valued policy” law. The Company is a named party in some of these lawsuits. In addition, rulings in cases in which the Company is not a party may affect interpretation of its policies. The Company intends to vigorously defend these matters. However, any limitation on coverage exclusions could result in an increase in the Company's hurricane-related claim exposure and losses. If the courts were to nullify the challenged exclusions, additional claim losses resulting from Hurricane Katrina could have a material adverse impact on the Company's consolidated financial statements.

20. September 11 Events

- (1) The September 11 Events footnote has been prepared on combined basis for Metropolitan Property and Casualty (MPC) and its subsidiaries and affiliates. As of December 31, 2005, MPC has reported ultimate losses of \$3.755 million consisting of \$3.753 million of reported losses and \$0.002 million of incurred but not reported as a result of the September 11 event (CAT 48). The ultimates were determined for all companies combined. The primary concentration of these losses was homeowner (condo) losses which includes the loss of use and loss of personal property. In addition, these losses consist of a few auto claims. MPC did not make any reinsurance recoveries as a result of the September 11 event.
- (2) In MPC’s estimate, it has fully recognized contingencies reasonably expected to impact the financial statements in the near term pertaining to the September 11 event.

26.4 Describe the sources or methods utilized in determining the fair values:
Market prices are obtained from the NAIC. In cases where prices are not available through the NAIC, first an external quoted price is sought, otherwise the fair value is internally estimated using present value or valuation techniques. Factors considered in estimating fair values include: coupon rate, maturity, estimated duration, call provisions, sinking fund requirements, credit rating, industry sector of the issuer and quoted market prices of comparable securities.

27.1 Have all the filing requirements of the Purposes and Procedures Manual of the NAIC Securities Valuation Office been followed? Yes [] No [X]

27.2 If no, list exceptions:
As of 12/31/05 one issue did not meet the filing requirements of the NAIC Purpose and Procedures Manual. The designation was converted due to a difference in security type classification between the NAIC Security Valuation Office and the insurance company.

9.1

Has the reporting entity ceded any risk under any reinsurance contract (or under multiple contracts with the same reinsurer or its affiliates) for which during the period covered by the statement: (i) it recorded a positive or negative underwriting result greater than 3% of prior year-end surplus as regards policyholders or it reported calendar year written premium ceded or year-end loss and loss expense reserves ceded greater than 3% of prior year-end surplus as regards policyholders; (ii) it accounted for that contract as reinsurance and not as a deposit; and (iii) the contract(s) contain one or more of the following features or other features that would have similar results:
(a) A contract term longer than two years and the contract is noncancellable by the reporting entity during the contract term;
(b) A limited or conditional cancellation provision under which cancellation triggers an obligation by the reporting entity, or an affiliate of the reporting entity, to enter into a new reinsurance contract with the reinsurer, or an affiliate of the reinsurer;
(c) Aggregate stop loss reinsurance coverage;
(d) An unconditional or unilateral right by either party to commute the reinsurance contract except for such provisions which are only triggered by a decline in the credit status of the other party;
(e) A provision permitting reporting of losses, or payment of losses, less frequently than on a quarterly basis (unless there is no activity during the period); or
(f) Payment schedule, accumulating retentions from multiple years or any features inherently designed to delay timing of the reimbursement to the ceding entity.

Yes [] No [X]

9.2

Has the reporting entity during the period covered by the statement ceded any risk under any reinsurance contract (or under multiple contracts with the same reinsurer or its affiliates), excluding cessions to approved pooling arrangements or to captive insurance companies that are directly or indirectly controlling, controlled by, or under common control with (i) one or more unaffiliated policyholders of the reporting entity, or (ii) an association of which one or more unaffiliated policyholders of the reporting entity is a member where:
(a) The written premium ceded to the reinsurer by the reporting entity or its affiliates represents fifty percent (50%) or more of the entire direct and assumed premium written by the reinsurer based on its most recently available financial statement; or
(b) Twenty-five percent (25%) or more of the written premium ceded to the reinsurer has been retroceded back to the reporting entity or its affiliates.

Yes [] No [X]

9.3

If yes to 9.1 or 9.2, please provide the following information in the Reinsurance Summary Supplemental Filing for General Interrogatory 9:
(a) The aggregate financial statement impact gross of all such ceded reinsurance contracts on the balance sheet and statement of income;
(b) A summary of the reinsurance contract terms and indicate whether it applies to the contracts meeting the criteria in 9.1 or 9.2; and
(c) A brief discussion of management's principle objectives in entering into the reinsurance contract including the economic purpose to be achieved.

9.4

Except for transactions meeting the requirements of paragraph 30 of SSAP No. 62, Property and Casualty Reinsurance, has the reporting entity ceded any risk under any reinsurance contract (or multiple contracts with the same reinsurer or its affiliates) during the period covered by the financial statement, and either:
(a) Accounted for that contract as reinsurance (either prospective or retroactive) under statutory accounting principles ("SAP") and as a deposit under generally accepted accounting principles ("GAAP"); or
(b) Accounted for that contract as reinsurance under GAAP and as a deposit under SAP?

Yes [] No [X]

9.5

If yes to 9.4, explain in the Reinsurance Summary Supplemental Filing for General Interrogatory 9 (Section D) why the contract(s) is treated differently for GAAP and SAP.

10.

If the reporting entity has assumed risks from another entity, there should be charged on account of such reinsurances a reserve equal to that which the original entity would have been required to charge had it retained the risks. Has this been done?

Yes [] No [] N/A [X]

11.1

Has the reporting entity guaranteed policies issued by any other entity and now in force?

Yes [] No [X]
